Programme overview

This programme has been developed in collaboration with the **Parashar Dairy Farm, Vill. Khanda Teh. Kharkhoda (Sonipat)** and **Chhotu Ram Arya College, Sonipat**. The programme is intended to provide basic knowledge and technical skills in the areas of Animal Husbandry. The programme also aims to develop human resource in the area of animal husbandry. The knowledge imparted shall facilitate better management of animal husbandry business in scientific lines which in turn will improve their productivity.

About the Programme:

Animal husbandry is one of the oldest business and frequently used by the majority of people in rural and urban areas in India. In present days due to high demand, this business is a lucrative economic activity. Demand for animal product is rapidly increasing due to increase in population. Due to this, animal husbandry business in India is constantly gaining popularity. The best thing about animal husbandry business is the less investment and the higher returns.

Objectives:

The main objective of the programme is intended to:

1. Develop and strengthen Human Resource by imparting knowledge and skill in animal husbandry
2. Create awareness about the opportunities of employment and livelihood in animal husbandry; and
3. Impart basic knowledge and technical proficiency in animal husbandry.
