

Course Designed by:

1. Dr. Anu Rathee, Associate Professor of English
2. Dr. Sadhna Tyagi, Associate Prof. of Geography
3. Dr. Vijay Kiran, Assistant Professor of Chemistry

## **CERTIFICATE COURSE IN PEARL FARMING**

**CHHOTU RAM ARYA COLLEGE,  
SONIPAT- 131001**

**2021**

**Established in 1951**

## **Programme overview**

This programme has been developed in collaboration with the DT Pearl Farming, VPO Murthal (Sonipat) and C. R. A College, Sonipat . The programme is intended to provide basic knowledge and technical skills in the areas of Poultry Feeding, Housing, Management and Health Care. The programme also aims to develop human resource in the area of Poultry Farming. The knowledge imparted shall facilitate better management of poultry in scientific lines which in turn will improve their productivity.

## **About the Programme:**

Pearl farming is a lucrative economic enterprise with a high ultimate product value. Demand for cultured pearls is rapidly increasing. Due to this, pearl farming in India is constantly gaining popularity. The best thing about pearl farming is the less investment and the higher returns. Pearl cultivation requires no refrigeration and requires very little processing. People who enjoy working on the sea and have sailing, diving, and fishing skills should consider a career in Pearl Farming.

Pearl aquaculture does not affect the environment and, with correct management, can boost the wild pearl oyster population over time. In light of the aforementioned advantages, pearl culture may be the best option for economic development in many remote island communities.

## **Objectives:**

The main objective of the programme is intended to:

1. Develop and strengthen Human Resource by imparting knowledge and skill in Pearl Farming;
2. Create awareness about the opportunities of employment and livelihood in Pearl Farming; and
3. Impart basic knowledge and technical proficiency in Pearl Farming.

## **Programme Structure :-**

Module 1: Introduction to Pearl Farming

Module 2: Preparation of nucleus implantation
